

## ANNUAL SCHOOL MUSICAL TO BE HELD MARCH 10

Students of City Grade and High Schools Will Give Annual Musical Entertainment at Washington Opera House.

The annual musical entertainment of the graded and high schools will be given Friday, March 10th, at the Washington opera house.

Miss Lucie Smith, the Music Supervisor, has added some novel features to this year's program. In addition to the usual vocal and violin solos and choruses, there will be the regular High School orchestra and an organization of primary children known as the "Baby Orchestra." This "Baby Orchestra" has been introduced by Miss Smith as an added means of teaching the little tots rhythm and broadening their appreciation of familiar classics. You will want to see the "Baby Orchestra" with their dummy instruments playing on the kazoos.

In one chorus of "Easter Voices," there will be 150 Fifth and Sixth Grade children. Another beautiful scene in the program will be the Rose Dance where a number of High School girls with garlands execute a rhythmic dance quite catchy.

Little Miss Virginia Watkins will be on the program for a series of three short dances of the kind which she alone can give.

There will be a number of beautiful vocal solos and John O'Donnell, our violinist, will render two of his best.

The last thing on the program is the "M. H. S. Pep Song," words and arrangement by Lucie Smith. This is the popular High School song that they sing when they "get up steam."

The entire program is supported by the High School Orchestra. There are over 300 in the program. You will want to come out and see the work that is being done through public school music. The admission has been made low in order that everyone may attend who is interested in the kids.

Any funds that are left over will be applied to the needs of the Music Department of the school. With this fund we purchase Victrola records, have pianos tuned, buy music for the High School orchestra, etc. This is given in some form every year and is an exhibition of the work accomplished by the Music Supervisor throughout the city schools.

Miss Lucie Smith, who used to be one of our star performers as a High School girl and who later completed the work in Public School Music in the University of Kentucky, is directing the entertainment this year.

Come and make some money on purchase of Louie Lehman's house. 4-9

## WHISKY REMOVED FROM VAULT WHICH REMAINS LOCKED

Nine Cases of Liquor Taken From the Peoples' Drug Store Vault — Found in Nearby Insurance Office—Two Men Held.

Nine cases of liquor — 223 pints — were taken from the vault of the Peoples' Drug store at Second and Court streets and found at an early hour Tuesday morning in the office of Mr. Harry L. Walsh in Court street, near the drug company's building.

When police entered the drug store Tuesday morning they found that the lock on the vault in which whisky was kept, was secure and the vault did not show that it had been tampered with. The keys to the vault lock were in Lexington in the hands of the officers of the drug company and the door was forced. There was no liquor in the vault when opened. Government permits held by the drug company correspond with the numbers on the cases of whisky recovered.

Dr. W. C. Crowell and Harry L. Walsh were arrested and given preliminary trials Tuesday afternoon before Judge H. C. Curran. They were held for the next grand jury and their bonds fixed at \$300 each which they promptly gave.
